Rochester members are required to work 1 shift at distribution during the season. To schedule your shift, please contact our Scheduler: Bob Fabinski at scheduler@peaceworkcsa.org or (585) 244-7141.

We no longer require members to work at the farm or transport vegetables to Abundance but our help is still welcome at the farm. The farmers will schedule work parties throughout the season. Notice of these will be emailed to you via the weekly Farm Updates and posted on the website.

Our Contract

As the farmers for Peacework Organic CSA, Peacework Farm commits to do its best, in good faith, to provide each share with 4-6 (partial share) or 7-10 (full share) organically grown produce items each of the 24 weeks of the harvest season. Members and farmers share the bounty and the risk of farming. This is true when there is an abundant year and when there is risk of total crop failure.

Do you have special considerations we should know about?
